TRADING AGENT AGREEMENT

I, _____, the undersigned and hereinafter referred to as the "Trading Agent" do hereby agree to the terms and conditions set forth below applicable to all client accounts I manage BMFN Limited (BMFN) through a Limited Power of Attorney.

Commissions charged by the Trading Agent will be calculated on a 'round turn' basis. Payment of such commissions shall be calculated on all lots closed by 5 pm EST on the last trading day of a calendar month. Any commissions due on open positions will carry forward to the subsequent month. Profit Sharing will be calculated and paid on a net high watermark basis at the rate agreed upon by the client and Trading Agent within the executed Limited Power of Attorney. Trading Agent is responsible for submitting invoices to BMFN for all commissions due within fifteen (15) calendar days following the end of the applicable month. Trading Agent agrees that should an invoice not be provided within the specified timeframe, Trading Agent waives any claims to such commissions and/or fees and such shall remain with client account. Commissions shall not be carried over from month-to-month.

Any Trading Agent who utilizes the Multi Account Manager available on all MetaTrader platforms in their trading activity at BMFN will be charged a usage fee of \$.15 per round turn (10,000) on all foreign exchange transactions. BMFN will calculate the total usage fees at month end and the Trading Agent will be issued an invoice for the total cost. All usage fees due to BMFN shall be debited from any commissions and/or profit sharing due to Trading Agent and shall be debited prior to the issuing of payment to Trading Agent. Should the debiting of usage fees result in a negative equity balance such balance will carry forward and be included in the subsequent month's calculation. At no time shall Trading Agent be issued payment of commissions and/or profit sharing prior to BMFN collecting all usage fees due.

BMFN diligently supervises and monitors the activities of all managers acting as Trading Agents. As a result, BMFN, in its sole discretion, shall monitor the activities of the Trading Agent to ensure the prevention of misconduct, which shall include, but not be limited to, unauthorized trading, fraud, mismanagement, breach of fiduciary duty and churning. For purposes of this subparagraph 'churning' is defined as any form of excessive trading being conducted for the purposes of increasing Trading Agent's commissions, rather than to further the customer's investment goals. Upon the finding of misconduct, as reasonably determined by BMFN, any and all commissions, fees and/or profit sharing due to the Trading Agent maybe withheld in escrow for a period not to exceed six (6) months. Withheld funds can and will be used to satisfy any customer claims received as a result of misconduct on the part of the Trading Agent. The Trading Agent has a duty to inform BMFN of any customer complaints and/or claims. If, after a six (6) month period, no claims have been received by BMFN or Trading Agent, the funds will then be paid to Trading Agent. Should a claim be received prior to expiration of the six (6) month holding period, such a claim will be assessed by the Legal & Compliance Department of BMFN for validity, such a process may result in funds being held longer than six (6) months. Trading Agent indemnifies and holds BMFN, its affiliates, employees, agents, successors and assigns harmless from and against any and all liabilities, losses, damages, costs and expenses, including attorney's fees, incurred as a result of commissions, fees and/or profit sharing withholdings due to a finding by BMFN of misconduct by the Trading Agent and receipt of a customer claim against BMFN and/or Trading Agent prior to the expiration of the six (6) month withholding period. BMFN shall not be held liable or responsible for any miscalculation of any fees, commissions, or profit-sharing.

BMFN may revoke or terminate the Trading Agent's trading authority over a Client's account at any time for any reason in its sole discretion. In the event BMFN terminates the Trading Agent's trading authorization over the Client's account, BMFN will provide written notice to both the Client and the Trading Agent.

Trading Agent certifies that he/she/they understand and agree to all terms and conditions of the foregoing Trading Agent Agreement.
