

BMFN CORPORATE AGREEMENT

In consideration of BMFN, or any of its affiliates, agreeing to carry one or more accounts of the undersigned (hereinafter referred to as “Client”) and to provide services to Client in connection with the purchase and sale of Contracts for Difference (collectively referred to as “CFD’s”) on Equities, Futures, Currency and any similar instruments (collectively referred to as OTC “Contracts”), which may be purchased or sold by or through BMFN for Client’s accounts(s), Client agrees as follows:

1 ESTABLISHMENT OF ACCOUNT

Client understands, acknowledges and agrees that by executing this Agreement, and subject to the terms and conditions of this Agreement, an account will be established in the Client’s name at BMFN Limited, incorporated in the Republic of Vanuatu under the provisions of the International Companies Act (CAP 222), by Vanuatu Financial Services Commission, holding Vanuatu Securities Dealers License; Company Number 40202 , Registered office : Law Partners House, Kumul Highway, Port Vila, Vanuatu., or any BMFN affiliate (collectively “BMFN”), that BMFN, in its sole discretion, may elect. Client further acknowledges that, subject to the terms and conditions herein, BMFN shall act as counterparty to all transactions conducted under this Agreement.

2 AUTHORIZATION TO TRADE

BMFN is hereby authorized to purchase and sell OTC Contracts for Client’s account(s) in accordance with Client’s oral, written or electronic instructions. Unless instructed by Client to the contrary in writing, BMFN is authorized to execute all orders with itself as counterparty or with such other counterparties as BMFN deems appropriate.

3 GOVERNMENTAL, COUNTER PARTY INSTITUTION AND INTER-BANK SYSTEM RULES

All transactions under this Agreement shall be subject to the constitution, bylaws, rules, regulations, customs, usage, rules and interpretations of the counterparty institution or other inter-bank market (and its clearing organization, if any) where executed and to all applicable laws of the Republic of Vanuatu. If any statute shall hereafter be enacted or any rule or regulation shall hereafter be adopted by any governmental authority, which shall be binding upon BMFN, this Agreement shall be deemed modified or superseded, as the case may be, by the applicable provisions of such statute, rule or regulation, and all other provisions of this Agreement and provisions so modified shall in all respects continue in full force and effect. Client acknowledges that all transactions under this Agreement are subject to the aforementioned regulatory requirements.

4 MARGIN AND DEPOSIT REQUIREMENTS

Client shall deposit with BMFN collateral or margin in such amounts that BMFN, in its sole discretion, may require. Margin requirements will vary dependent on the electronic trading system and products traded. BMFN may change margin requirements at any time.

Client agrees to deposit by immediate wire transfer such additional margin when and as required by BMFN and will promptly meet all margin calls by such methods as BMFN in its sole discretion designates. BMFN may at any time proceed to liquidate

Client’s account in accordance with paragraph 10 below, and any failure by BMFN to enforce its rights hereunder shall not be deemed a waiver by BMFN to enforce its rights thereafter. No previous collateral or margin requirement by BMFN shall preclude BMFN from increasing that requirement without prior notice. Margin calls are conclusive and binding unless objected to immediately in writing. Client understands that a margin call may occur even in instances where account positions are hedged, given spreads may widen

as set forth in paragraph 7 herein, causing remaining margin to diminish. Should remaining margin be insufficient to maintain open positions, the account may sustain a margin call, closing out any open positions in the account.

5 POSITION LIMITATION, PROFITS AND EXTRAORDINARY VENTS

BMFN retains the right to limit the amount and/ or total number of open positions that Client may acquire or maintain at BMFN. BMFN reserves the right to refuse to accept any order. BMFN does not guarantee any or all profits resulting from trading entered into the system(s) of BMFN, including but not limited to, profits realized during perceived normal market conditions, extraordinary events or system malfunctions. BMFN shall not be responsible for any loss or damage caused, directly or indirectly, by any events, actions or omissions beyond the control of BMFN including, without limitation, loss or damage resulting, directly or indirectly, from government restrictions, war, strikes, labor disruptions and terrorist acts. BMFN shall not be liable for damages, including lost profits or trading losses caused by delays or inaccuracies in pricing or the transmission of orders or information due to a breakdown in or failure of any transmission or communication facilities, unauthorized access, theft or systems failures. Client understands BMFN is authorized to reclaim any trading profits Client obtains through the trading of delayed or inaccurate pricing.

6 PRICING, SCALPING, ORDERS AND GAPPING MARKETS

Client understands and agrees that he/she will not enter into transactions for purposes of scalping, arbitrage or to intentionally exploit or manipulate any inaccuracy, regardless of how minor, major, obvious or unobvious, in any rate or pricing offered by BMFN whether through the usage of scripts, codes, electronic advisors, software or any other form of computer program or manual trading.

BMFN defines scalping as any transaction which remains open for a period of less than three minutes in duration. Client understands BMFN is authorized to retroactively cancel transactions found, in BMFN's sole discretion, to be transactions entered into in order to exploit or manipulate pricing by means as set forth within this Section.

BMFN is then authorized to reclaim any trading profits Client obtains through the entering of transactions for purposes of scalping, arbitrage or intentional exploitation of inaccuracies of rates/ pricing offered by BMFN. Client acknowledges and understands that BMFN does not guarantee the execution of orders at specific prices, including conditional orders such as stops and/or limits, specifically at times of increased volatility or volume, including market news announcements, due to gapping markets, greyed out pricing, and market liquidity.

Client understands and agrees that should they receive off-market prices, for any reason, including but not limited to, delays, malfunctions or manual trading errors, BMFN shall retroactively cancel such trades and may elect to leave such trades canceled or reopen such trades at the correct market price, Client understands that orders received during instances of increased market volatility will be filled at the next best price available or the fair market value.

Client acknowledges that during instances of gapping markets, conditional orders, specifically stop losses, will be filled at the next available price following a gapping market. Pricing can gap past the price set forth in conditional orders, resulting in clients losing more funds than initially intended.

Client acknowledges that due to such risks, BMFN encourages clients to utilize market orders rather than conditional orders, as market orders are provided with a requote and allow Clients to accept or reject the new price.

Client agrees that BMFN is not responsible for any losses, including margin calls, which occur as a result of conditional orders being filled during a gapping market or orders being filled at certain prices as a result of greyed out pricing and/or limitations in market liquidity.

7 WIDENED SPREADS

Client understands and acknowledges that there may be instances where spreads widen beyond the typical spreads offered. During volatile markets, such as news announcements, spreads may widen substantially in order to compensate for increased market volatility. Client is advised to utilize extreme caution when trading during increased volatility in the markets, including major news events, as widened spreads can adversely affect all positions in an account including hedged positions.

8 SETTLEMENT DATE, ROLLOVERS AND INTEREST

BMFN is authorized, in its absolute discretion, to rollover or offset all or any portion of positions maintained in CFD's on currencies within Client's Account(s), maintained on any electronic trading platform at Client's risk. A position carried forward may be credited or debited interest charges until the position is closed. All CFD's on Futures are not rolled over at contract expiration. BMFN shall close all positions at expiration of Futures contracts and client may, at his/her sole discretion, elect to purchase a new contract. At its discretion, BMFN may elect to offer Client an interest free account whereby positions carried forward will not be credited or debited interest charges. Client agrees and acknowledges that such interest free terms shall be granted by BMFN only as a result of representations made by Client and that BMFN shall have the authority to, at its own discretion, elect to retroactively cancel such interest free terms and account activity after making determinations of the lack of authenticity of such representations, including determining that Client is maintaining interest bearing accounts elsewhere. BMFN is authorized to cancel all trading activity of such account since inception following its determination and will return the original deposit(s) to Client.

9 COLLATERAL AND LENDING AGREEMENT

All funds, securities, currencies, and other property of Client that BMFN or its affiliates may at any time be carrying for Client (either individually, jointly with others or as a guarantor of the account of any other person) or which may at any time be in its possession or control or carried on the books of BMFN for any purpose, including safekeeping, are to be held by BMFN as security and subject to a general lien and right of set-off for all obligations and liabilities of Client to BMFN whether or not BMFN has made advances in connection with such securities, currencies or other property, and irrespective of the number of accounts Client may have with BMFN. BMFN may in its discretion, at any time and from time to time, without notice to Client, apply and/or transfer any or all funds or other property of Client between any of Client's accounts. Client hereby also grants to BMFN the right to pledge, re-pledge, hypothecate, invest or loan, either separately or with the property of other Clients, to itself as broker or to others, any securities or other property of Client held by BMFN as margin or collateral. BMFN shall at no time be required to deliver to Client the identical property delivered to or purchased by BMFN for any account of Client. Should Client take delivery of currencies through settlement of trades, BMFN is obliged to make full payment for the delivery on 24 hours notice. If the balance in the Client's account is not adequate to pay for the delivery, the depository receipts held in the name of Client or BMFN, as Client's agent or nominee, become property carried on margin in the Client's account, since they are not fully paid for by Client. This authorization shall apply to all accounts carried by BMFN for Client and shall remain in full force until all accounts are fully paid for by Client or notice of revocation is sent by BMFN.

- E** Client's failure to provide BMFN any information requested pursuant to this agreement, or
- F** any other circumstances or developments that BMFN deems appropriate for its protection, then, in BMFN's sole discretion, it may take one or more, or any portion of, the following actions:

 - II** sell or purchase any or all Contracts, securities or property held or carried for Client, and
 - III** cancel any or all outstanding orders or contracts, or any other commitments made on behalf of Client.

administrators, trustees, legatees or assigns and regardless of whether the ownership interest shall be solely Client's or held jointly with others. In liquidation of Client's long or short positions, BMFN may, in its sole discretion, offset in the same settlement or it may initiate new long or short positions in order to establish a spread or straddle which in the sole discretion of BMFN may be advisable to protect or reduce existing positions in a Client's account.

Any sales or purchases hereunder may be made at BMFN's discretion with any inter-bank or other market where such business is then usually transacted or at a public auction or private sale, and BMFN may purchase the whole or any part thereof free from any right of redemption. Client shall at all times be liable for the payment of any deficit balance in Client's account(s) upon demand by BMFN and in all cases, Client shall be liable for any deficiency remaining in Client's account(s) in the event of the liquidation thereof in whole or in part by BMFN or by Client. In the event the proceeds realized pursuant to this authorization are insufficient for the payment of all obligations and liabilities of Client owed to BMFN, Client shall promptly pay upon demand, the deficit together with interest thereon at a rate equal to three points above the then prevailing prime rate at BMFN's principal bank or the maximum interest rate allowed by law, whichever is lower.

Client agrees to pay and shall be liable for all reasonable costs and expenses of collection, including but not limited to, attorney's fees, witness fees and travel expenses. In the event BMFN incurs expenses other than for the collection of deficits, with respect to any of Client's account(s), Client agrees to pay such expenses.

Failure to object shall be deemed acceptance and ratification of all actions taken by BMFN or BMFN's agents. Client's failure to receive a transaction confirmation shall not relieve Client of the duty to inquire of BMFN and to object as set out herein.

12 COMMISSIONS AND FEES

Client agrees to pay all charges relating to the CFD transactions conducted by or through BMFN, including without limitation commissions, markups, markdowns, transaction fees, transfer and cancellation charges, and inactive account fees. BMFN may adjust its charges without notice. All such charges shall be paid by Client as incurred and deducted from Client's account. BMFN may share such commissions or markups and markdowns with third parties. Transaction fees are assessed per trade on certain trading platforms. Funded accounts which remain inactive for a period of six (6) months will be charged an inactive account fee of \$50.00 USD. BMFN's failure to charge any such fees does not waive or invalid its right to deduct such fees in the future.

13 BMFN RESPONSIBILITIES

BMFN will not be responsible for delays in the transmission of orders due to a breakdown or failure of transmission or communication facilities, electrical power outage or for any other cause beyond BMFN's control or anticipation. After receipt of such documentation, BMFN reserves the right to request additional documentation in order for BMFN to adequately verify the Client(s) identity. Client understands that failure to provide such documentation shall authorize and obligate BMFN to report such to applicable government agencies.
